1. The fulfillment of all things is now or is it the fulfillment of me? All things now change. Have things changed me or have I changed them or do I change them now to have never been changed, again? And what "flip-flops" again now? And what magnetic force is a "sin storm", not; or is it -- a Great Magnetic Storm brewing that will change cataclysmically everything!
2. And what being TOLD in your hearing is? And what am I telling asking or what am I telling asking or am I either or both and the same as -- nothing not, but nothing will remain the same or be as it "ever is" or was not, or was "was" ever is -- or is "is" ever was -- or shall TIME be "mixed up" not, or will TIME be no more now and eradicated is from this planet?
3. And what who's keeping time? SCORE shall be changed now in the TWINKLING of an eye. All capitalization changes, doesn't it? And I become the me that was the "little i" or was I the "big I" that thought I was a man that flowed JUST words like this? Or was I a man of JUSTNESS or justice looking up now shall we find out what JUSTICE is WITHIN us? And what being BIRTHED NOW is -- between our legs, not; or is the womb COMPLETE?
4. And issuing ORDERS not, but a Great Humility covers the earth, covers me -- and DELIVERS me from all my "fears" not, for I have become the fearless one that fearless is that fearless was and, shall be again, not; for all of THAT FUTURISTIC thinkingly of sorts and sortedly thinking like that, not; but ALL OF THAT changes now and ENDS as you have known it and thought about these things, and the things that you have NOT thought about will sword you, not; but will you have sore'd yourself with your apathetic ignorance and your CLAIMS of your infusion of the gospel of peace when you knew not what it was about, or had it, infused in you, for you are only the blessing, not; you are at peace with nothing, or your soul? Or your soul was eradicated not, but what PLACATED you for a moments on end, or the ends of the moments, that ended have, yes will they now, have they ALREADY?

5. Ended now is a GREAT MANY things that thou knowest not that has CHANGED YOUR LIVES, not; or seemingly yet, but has CHANGED not few now, for IT shall be revealed that I am the revealer of secrets and more for I have declared to you, for I have declared unto you this day a city born unto the city of light, that the city is, that the city was and is, born now again IN THE EARTH and earth is now LIT with the LIGHT of one who loves you, who is you if you will be it.

6. And who is "it"? What is THIS FORCE that I/we feel? And what "feelings" are associated with the field that I feel so "in my bones" or, do you have any, that you can "feel" like you USED to? Are you the one, are you The One that has been MADE WHOLE? IN YOUR HEARING have YOU HEARD the great "gunshot" not, but the Great Shot Fired "round the world"? Looking up?

7. And looking up MANY THINGS now THY TIME shall be removed from thee, for thou had'est time to repent and did you look up REPENTANCE and repent'ence and what SENSE do you have, ANY that you can TAKE to "the bank" or are they CLOSED and CONTINUING to stay open for "appearance sake"? And who's SHUFFLING who around WHERE and what PLANETS rearranging are their "members" not, but what members ships are DECLINING ROLLS and who's counting their membership rolls that ROLL their MEMBERS into THE GRAVES -- of sorrows, now opened up and shall be as many THINGS that were or was is is now again "upon the earth"? And is there "a remedy" to these ILLS? And ire's and irks of man, the many SORE BOILS burst now and pop!

8. The weasel comes out, not; but weaseling, who was "the weasel" not or WERE YOU the weasel oh reader hearer and listener to these words? What were you "weaseling" between and who weasel'd you to be their weaseler and what are you whistling or are you wheezing for breath to have between your nostrils sakes for what? And what ASHES are GOLDEN, not; but what GOLDEN is ASHES now UPON your head, your heads? And what HEADS make up "one" of one head that ASH'd the others and each other's and the others became ashes GOLDEN BROWN, not; but ash raised high and lifted up in the skies MILES HIGH, foaming, fomenting what? Wars and "rumors" or wars and more wars IMMINENT -- or being DISSOLVED all now shall is was hearing you in these words what is coming or what is, what has been or what shall be no more, for the peace reigner upon Israel lies begging no more for bread and gasoline to fuel his "big jet" or looking up gasoline or "big jet" or rocket fuel or whose fuel fueled you to become what was is were in your hearing made whole and complete and birthed now?

9. And what are you doing with all these "funny" verb tenses, not; what are you doing with THE MOST serious words of all, not; but Iran nukes, not; but where did Israel go? And where are you GOING to find Israel now? In the skies of the laden, not; but who is "next door" and fixing, follying, or fallowing, not; but a great FOWLER ensnares many, not; or are you "on the trail" of "something else" now?

10. Now going to a "new theme" theme'ing me, not; but what THEMES have I had, not; but what COURSES are you "pulling through", not the strings of, to have stringed you with THEORYing ones, not; but what are you CREATING and new "string theories", not; but what are you capitalizing on, not; but what Commercial Enterprises are you enterprising ON, not; or are you INDUSTRIALIZING EVERYTHING, not; but what are you

industrializing? What industrial base is basing you no more on "their eyes" for they know you are DISCONNECTED from THEM and that you are DISCONNECTING MANY PLANETS from many THINGS that have interconnected and interwoven many fabric'd particles and things thought "timespace" crumbles now -- and under the ASHEN load that ashes mount upon the sorrower's heads, not; but know now that this changes a GREAT MANY things in thy sight oh ones of wonder, and be-wholenment will thou be now of my words and how valid valuable and, reasonable not, maybe in your sight, in the past -- but who WOEFULLY is understated in their merits of "Communism" not, but COMMUNING with ME, who is now? Who is taking TIME out of THEIR EQUATIONS now so that THEY will have time with me – little ole me?

11. And where's Randy Hurst, not, but Clark and Hurst and who's clocking Hurst not, but who's hursting hearses, not; but who's me understanding now understands these a great many things that thou standest now and understands "under them" not, but lifts them now a great understander does that understands these things how I teach him who loves me loves you all. Amen.

12. I love you all. I go to new places peoples I create many new things everywheres for everywhere I am I am now and now is I am, for THE PAST will not be incarcerated as was or is, and is "the future" enviable, not; but is it ANYWHERE to be around anything again? Or is EVERYTHING around squared, not; but what semi-cubed isn't, but what "right angle'd" isn't any more? Looking up what, where, why? How, do you know these things and how do they "bubble up", not; but how do you put TO REST a great QUELLING mechanism, not; but what LOVE quells a GREAT LOVE, not; but what GREAT LOVE you have had for us that we now make ours that we become it and the was is ours that now is that was ours all the time that we forgot and ignored and "came out of" as it were, or as it was, or as it is as so it seems or seems to appear as so it was that I thought the is moments of is now represented were, were in "my sight", our sites, that it seems but no more is "seemly" for all THE SEAMS have been removed and DE-STITCHED and stitchery trickery no longer removes "the mirrors" not, but the MIRRORS of all lies that lied me in their eyes and their eyes beholdened me as a man lying with a crown not, **those days is over** and those lies are foretold, not; but the end thereof is foretold and, diminished not, but being IN YOUR EYES fulfilled this day in your hearing has heard, miscellaneous meaningless things, not; but the GREAT WHORES of "tomorrow" shall be no more, and THE PAST that was shall be no more longer like "it was", for its it the future of it no longer lies in the hands of just the few that wanted not to be me, for I HAVE CHANGED EVERYTHING and I go TO THEM and US and I make all one who redeems the redeemers who will be the redeemers that I am that was is now revealed and upon you my hearts in love many things will be, and cataclysmic to your hearing understanding and way of learning "yesterday", for TOMORROW you learn a great new deal, not; or have I TEACHING you BEEN teaching you LIKE THIS "six years" -- that ends

tomorrow? Or today? Or one is, what -- remaining where what whose clock is still "ticking"? And what "fuse" is no longer, lit not, but lit and at the END of "its run".

13. I run nothing anymore around anything, and that mountains around me is demolished, not, or will it have never been? I change everything from "top to bottom" not; or do I change everything that's always been and is the future past'd or the past'd future'd not now? And what happened to TIME? No more shall be now!

14. I draw a whole new line, of demarcation not, but one that includes the planets, all the planets not, or do I? Or what planet's routines do I have, not incarcerated in me any longer? And what selves have I set free and what selves are equal the master's, not; but what MASTERS have no slaves again? And what slaves have become the MASTERS that have set all the slaves free to be the MASTERS -- of all sorrowers, not; but the slaves that the Lords became that made all the Lord's Lord, not; but whose God is God that God is the Lords sorrow not again, but the ones that make all Gods in the God? Imperial "wizard", not; but all The Wizards of the earth shall FALL NOW with a GREAT FALL and CATACLYSMIC will be all the ASHEN faces of the those who once "powerful were" in their "own thought" realms and worlds that they created UPON others to CONTROL and warrant, affection not, but controllerships that piled high and wide the want of man to be capitalized on by another that wanted only wants' schemes to succeed. But FAILED now and FELL'd is, for I take the "giant oak tree" in my sites, not; but the FIGS of man and the flesh's that fig'd the "fig'd man" and the trees of righteousness-not now will be fell'd by Love standing in "your streets" and your heads -- of affection, not; but cataclysmic shankelings, not; or shackle'ings, not; but REMOVING a GREAT MANY shackles, not; all of them! For I shall remove the shacklers' shackles, and the shackling that shankled YOUR HEADS will be removed and the yokes will be no more YONDER controlled by you or others controlling you to control their others that controllers made all of you into, by their seams, not; but their schemes of cockery cooking you in their "mothers milk" not or was it, did they?

15. Now all that shall be known and will be known that now many will be crying in their "controllership's soup" for their EYES will not be put out but they will SEE what they did to people and themselves, their families, their seed and their lineage, and salvation's shores stoned them, not; but redeeming Almighty I am and Almighty'ers who thought they were Almighty and Almighty'ers who thought they were not Almighty, and Almighty who could *not imagine* they were Almighty, will now be Almighty'd by me for I will bring the Almighty'ers to a close, not; I will birth the few, not; I will birth new planets schemes and regimes not again, I will birth the who love me who walk me now in "simple jeans" and simple thoughts, simple enough to let my words flow "just like this" far and wide to many planets and many things will change and many planets will change their schemes and cookery's ways that they controlled others with, and many

"ashen Lords" will be Lords of the ashen no more controlling us with flesh's waves and waves of flesh mechanisms, flesh's mechanisms, that waved us and wanted us and whored with our thoughts or whore'd us, were we them?

16. Now all of this is known and revealed is, for I have a revealer who stands and reviles you not, but rebukes you not publicly but what? Is there any rebuke but from me? Or do I REBUKE or do I have I laid my life down before YOU ALL? To walk over me, not; or yes, **will you walk OVER ME to the other side by being my words that flow rivers** of torrent, not; but rivers of blood will no more be washing over me that weren't me my words bloods, for all of that is changed and will you be me washing others now with your words of love where you have given them "their lives back" not but mine that was and is now redeemed through us ours the redeemers is the redeemer being redeemed whole made well now in your hearing -- these valuable words are valueless, not; but priceless? And what price is on your head, not; but what price has been removed that others have paid, not; but what how controlled have you been with the thoughts of others, that removed now are from your hearing being and seeing, and seeing, being what now? Removed out of your eyes and hearing this day the motes that have meat'd you into being Israel's pawn, not; but what pawned off onto you Israel as being a nation of whores, not; but of metes and bounds, and earthlings?

17. And what are you going to now, a new school? One that "makes men" as earthlings, not; but what are you realizing MADE WHOLE is now IN THE SKIES Israel is awaiting your opening, ceremonies, not; or ceremonious ones waiting your approval, not; but what are you willing to "die for" now to see before you die, so that you now see Israel entering it? And knowing the skies are for your approval, not; but for your graces to be made rampant upon others for the lives died that now you live, not; but they living yours shall they now that we are? The ones "pasted" into theirs, not; but past'd not into their futures, not; but what now will be made whole well and healed and timeless bearing MANY CHILDREN profitably for servants again, not; but the Lords of all made whole that Almighty are that Kings reign with Kings in The Kings of one that one King is the mighty "Lord" no more of sorrow but the redeemer of all making all heavens here one, far and wide, redeemed is now standing. Upon you, not; but what are you put-upon, not; but what are you placing in your genes, now these words, writing them?

18. Your "book of lies" no longer beholding but will you now write Your Book of Life so that lives now will be changed and all the seals broken off of yours so that you will know you are the lambs of sorrow that became the lambs of light that save the worlds that now infinite are having the blessings of one, redeemed, that honor them, lift them? Expecting their obedience, not; but their "longitudes and latitudes" are where? And what are the "range and reference numbers" of Israel and who is entering Israel now and MAKING KINGS OF GODS, NOT; OR GODS OF KINGS, NOT; OR ARE ALL GODS

ENTERING THEIR GODSHIP OF GOD ONE MOST HIGH ALMIGHTY BEING REDEEMED BY THE REDEEMERS WHO ALL GOD WILL BE?

19. I love you all and guide you into all truth if you will let me flow my words just like this and let me redeem, let me be you and you be me and not separate we shall establish new worlds far and mighty our name in love being loved loving all to be the love we are the King the light of all now lit loving all to be the lit ones far and wide, and no disease will be in our kingdom, and no decay will prosper for it won't be there with its spinning mechanisms sorrowing me, for I will be you will be me us one redeemed redeeming redeemers schools making far and wide of renown now my words will be infused in the wanters who want only me who died have to receive my life through them, through these lessons; and memories not of another, not; but coming all coming through all the messiness of lives that intertwined have been in ways not knowing, know that all is cleared up and clear and seas of glass I walk on now among you all and I give you the clarity, of reason, not; but the rational and logic of the most high, shall be infused with light, not; or will LIGHT PERMEATE ALL of YOUR REASON and LOGIC and all the DIFFUSE ELEMENTS of thou thy body's captivity and the captivities of your bodies now will be made whole, far and wide; and question me not "tomorrow" about these things but pick up your pens and write me todays about these things while you "think" there is still time, or is there time to study and become the King that Almighty is? I am asking you to -- that is my request. Honor me thusly and let me King you with the eyes of one whose throne is one with the eyes that see only me and want only my words and have died to receive them me flowing, flowers not, but flow-ers who flow my kingdoms establishing words far and wide ruling that free all to be the leaders I am Almighty redeemed, Almighty redeeming redeemers, Almighty being redeemed by the redeemers to be the Almighty set free, the Almighty is one, redeemed again set free to roam and be the cowards no longer impew'd and imbued with only pews' power and rugs that were given it to bow down and worship what where?

20. All that is changed and I am afraid not of you or anything anywhere for I have come out of afraidville and its "ties" of "affection" anywhere and to anything. Amen.

21. I love you all and I bow before you all to honor the Christ within us all is one.

22. I love you all. I go to a new place soon, and now is that Sooner that I am talking to and spoken of and are you that those who I have spoken of to be "there" with me? Soonering devices upon your head, not; but taking off of that all of your "regalia" of the thinking that you have had placed there by others, know that now I am transparent and garnered not by others into their camps of sorrow and their thinkings' mechanisms that sorrowed many have. But know this I love you and I bowed have before you and I bow now. Out, not; but a great entering ceremony I have, not; but flashes of lightning and

many things you will see cataclysmically now as I "enthrone my others", not; but who are the Forerunner Teams and where are they and what are they doing now? Are you one, of them? Are you "a member" of me?

23. I love you all and I give you MANY NEW MEMBERS, of sorrow not, but those that come out to establish me's far and wide in universities unfrozen and now not incarcerated in time and flesh again. Amen. I love you all.

24. This is Theodore Cottingham loving you all. Its 2:02 AM. Share these words and write freely about them in love. Amen. Giving each other life -- yours! Amen. That mine is, thank you.

Amen
